### Profile

Recent graduate of a Web Development bootcamp with a solid foundation in programming languages such as JavaScript, Ruby, and HTML/CSS, I bring a fresh and enthusiastic perspective, combined with unmatched adaptability. My experience has instilled in me the importance of innovation, to keep clients engaged and excited. My strong analytical skills and attention to detail, enhanced during six years of teaching and problem-solving in diverse settings, make me well-equipped to excel in a dynamic environment. I am eager to contribute as an energetic part of a spirited team.

### Skills

HTML5, CSS3, Javascript (node.js, Webpack), Ruby, Ruby on Rails, SQL, Git, Github.

Communication, Teamwork, Adaptability, Problem Solving, Proactivity, Product mindset.

### Current Learnings

**Rails** (Skills Course) fine-tuning my full stack skills personal projects.

**React** (1 hour daily) a skills course that will sharpen Front-End ability to ship apps more efficiently.

### Education

#### Web Development, Le Wagon

Jan 2023 – Jul 2023 | Remote

- A 24-week online intensive coding Bootcamp learning HTML, CSS, Bootstrap, JavaScript ES6, SQL, git, GitHub, Heroku and Ruby on Rails.
- Identified a common problem and solved it with the 'Local Sports Club' app, which matches global sports lovers with potential teammates.

#### BA Business (International)

Sep 2011 – Jul 2015 | United Kingdom

One academic year spent at Kedge Business School in Bordeaux, France.

### Projects

#### The Local Sports Club,

<https://github.com/nathansoussana/local-sports-club>

Jun 2023

- Web app for sports lovers looking for a teammate, built in a team of four.
- Accomplished a full stack role using Ruby on Rails, API's, Devise, Pundit and Front End.
- Further development: implementing a video call feature.

#### Airbnb clone, <https://github.com/nathansoussana/airbnb>

Jun 2023

- Users list, or rent equipment they require. Option to upload pictures.
- Full stack role using Ruby on Rails along with HTML, CSS and JS.
- Used expertise of Cloudinary and Devise, deployed app on Heroku.

### Professional Experience

#### Early Childhood Education Teacher, Pilke English Playschool

Jan 2023 – present

Plan methodically to drive and embed the use of English in the school.

Communicate progress daily to parents.

#### Class Teacher and PE Coordinator, Aylward Primary School

Sep 2017 – Aug 2022 | London, United Kingdom

My class scored in the top 3% of the country for progress in KS2.

Used creativity to plan fun lessons daily.

Increased participation in sport by 31%.

#### Graduate Account Manager, Rainhill Forge

Jul 2015 – Aug 2017 | Liverpool, United Kingdom

Ensured repeat business from key clients.

Boosted customer satisfaction rate to 97%.
